gentleman connected in a business way with one of these fords. The one of the etters I want to mention reads thus; Augusta, June 29, 1869.

and comprehension. Your offer to admit me to a participation in the new railton of a somewhat selfish character. It is this: You spoke of Mr. Caldwell's of fer to dispose of a share of his interest to me. If he really desires to do so I wish he would make the proposition definite, so that I could know just what to full development of the enterprise be may grow reluctant to part with the share, and I do not by this mean any distrust of him. I do not feel that I shall prove a deadhead in the enterprise if I once embark in it. I see various channels in which I know I can be useful. Very hastily and sincerely your stend.

JAMES G BLAINE.

Ar. Fisher, India street, Boston.

This 18 what Puck calls the "letter of

Speaker of the House of Representatives? He is, without question, by far the most powerful man in the government next to the President of the United Bates. He sppoints the committees o' the House, in which all legislation is preis done. He can, if he pleases, compose wants to strengthen or weaken, hy giving them desirable or undesirable places on the committees. Moreover he preters the rules of the House. It is in a great measure in his power to recognize or not to recognize members who want short, it is currently eaid that a bill to unexpected and powerful help.
